DETAILED ACTION

Claims 1-38 are pending in the application.

This action is in response to applicants' amendment filed February 26, 2007.

Claims 1, 7-16, 24 and 25 have been amended and claim 38 is newly added.

Response to Amendment

Applicant's amendments filed February 26, 2007 have been fully considered with the following effect:

1. The applicants' amendments and arguments are sufficient to overcome the 35 USC § 112, first paragraph rejection labeled paragraph 1) maintained in the last office action, which is hereby **withdrawn**.
2. The applicants' amendments and arguments are sufficient to overcome the 35 USC § 112, second paragraph rejections labeled paragraph 2a), c) and d) maintained in the last office action, which are hereby **withdrawn**.
3. The applicants' amendments and arguments are sufficient to overcome the 35 USC § 112, first paragraph rejection labeled paragraph 3) of the last office action, which is hereby **withdrawn**.
4. The applicants' amendments and arguments are sufficient to overcome the 35 USC § 112, second paragraph rejections labeled paragraph 4a), b) and c) of the last office action, which are hereby **withdrawn**.

In view of the amendment dated February 26, 2007, the following new grounds of rejection apply:

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.

5. Claim 11 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The following reason(s) apply:

a) Claim 11 is vague and indefinite in that it is not known what is meant by the definition of R11 where "R11 is methoxyl group, and are each a hydrogen atom".

Election/Restrictions

6. This application contains claims 26-37 are drawn to an invention nonelected with traverse in the reply filed on February 27, 2006. A complete reply to the final rejection must include cancellation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

7. Note: An attempt to call the attorney of record was made on Monday, May 14, 2007 with no response.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
